

Featuring a **double-tumba (gourd)** design, a **well-balanced teak or tun wood body**, and **sympathetic strings (tarabs)** tuned to perfection, this sitar delivers a resonant, full-bodied tone ideal for both performance and recording.

### **Ravi Shankar–Style Sitar**

Crafted in the tradition of the legendary Maestro Ravi Shankar, this sitar embodies the rich tonal depth, intricate craftsmanship, and expressive playability that define the North Indian classical sound.

**Inspired by Ravi Shankar’s unique preferences, this sitar includes:**

- **13 Sympathetic Strings** for rich harmonic resonance
- **7 Main Playing Strings** including chikari for rhythmic and melodic versatility
- **Full Decoration (Kaaj)** with inlay work, typically in celluloid or bone
- **Custom-Fitted Bridges** for precise intonation and tonal clarity
- **Adjustable Tarab Tuning Beads** for ease of tuning sympathetic strings
- **Traditional Floral Carvings** and ornate pen work for aesthetic authenticity
